

June 2025 Newsletter

As we move into June, the Visibly Clear team is looking ahead to some exciting changes and developments on the horizon.

We also want to take a moment to thank you for reading our monthly newsletters. Your support truly makes a difference – in fact, last month's issue led to new business from existing clients after we promoted our new glove range and t-shirt rags. It's a great reminder that we're here to help with whatever your business needs – if we don't currently supply it, we'll do our best to source it for you.

Recycling Bags

Following the success of last month's new product promotions – and in light of the new recycling legislation introduced in April 2025 – we wanted to share our wide range of recycling bag options.

We stock:

-  Compostable & biodegradable bags – ideal for eco-conscious waste disposal
-  Standard white and black recycling bags – durable and reliable for everyday use
-  Food waste bags – perfect for kitchens, catering, and hospitality settings

Whether you're looking to improve compliance or simply make greener choices, we can help. Just let us know your requirements and we will do our best to provide the best option and competitive pricing.

If you are unsure which bag you need talk to us we are here to guide you.

Bigger & Better

We're on the move again – and it's a big one!

It feels like just yesterday we were excitedly announcing our move to larger premises. Fast forward 19 months, and we've outgrown that space already. We're now preparing for another exciting chapter – this time, into a significantly larger warehouse... and we mean huge!

This new space will allow us to hold far more stock, which means even quicker turnaround times and improved efficiency across the board. It's a big step forward for us and a reflection of the growth we've experienced, thanks to your continued support.

There's still a lot of work to do before we're fully moved in. We've already been busy transforming the space – painting, weeding, ripping up old flooring – and there's plenty more to do ahead of us moving in. But we're enjoying the process and can't wait to share the transformation with you.

Keep an eye out for before-and-after photos – we're looking forward to showing you the journey as it unfolds!

Henry is getting a makeover!

Well, that's a wrap for our spring display!

It's time for Henry the planter to get a fresh summer makeover 🌻 – out go the spring blooms, and in come vibrant summer bedding plants so he can burst back into full bloom once again.

Stay tuned for next month and his colourful transformation!
