

## November 2024 Newsletter

### Welcome November

It's hard to believe the year is flying by, and we're already welcoming November. Even more exciting, we're coming up on our one-year anniversary at 8 Whittle Close!

As the year draws to a close, our focus on growth and progression continues as we prepare for the year ahead. Our passion for the services we provide keeps us motivated and ensures we stay ahead of the game, constantly seeking ways to enhance our offerings and support our clients' businesses.

Over the past few months, we've placed a strong emphasis on Health & Safety processes and procedures. This has included onboarding a new HR company and setting up a user-friendly HR system that makes the transition smooth for all our staff.

This month, we are excited to implement a brand-new auditing system that moves us away from a paper trail. This will ensure that all audits are conducted efficiently and that reports are readily available for our business partners.

Our commitment to ongoing training guarantees that our team maintains the high standards set by Visibly Clear Services.

You'll likely agree that our business model is distinct from most cleaning companies. We don't simply assign a cleaner to a site and leave them to manage alone; instead, we maintain a regular presence on site to address any issues and fulfil the promises we make to our clients.

Whilst we offer washroom and hygiene services as standard we are regularly asked if we can offer a complete Washroom package. Whereby, we include managing stock of toilet roll, hand towels, hand soap ensuring clients never run out, with our delivery service it's never been easier to keep up with business demands

If you would like to find out more about our all in Washroom hygiene services package please get in touch. It's more affordable than you might think

## Deep Clean

The Visibly Clear team came together bright and early on a Saturday morning to tackle a deep clean at a local Northamptonshire school. It was a fantastic team effort, with everyone pitching in to ensure the school was left spotless. From classrooms to corridors, we made sure every corner was thoroughly cleaned and ready for the students and staff to enjoy a fresh, hygienic environment. We take pride in delivering a service that goes beyond the usual routine, and this deep clean was a perfect example of the dedication our team brings to every job!

**The School gave the team a glowing review**

***"We were very pleased with the cleaning completed over the weekend., pleasant experience, on Monday morning.***

***Many thanks to you and your team for all your hard work".***

## Help Us Improve – Your Feedback Matters!

At Visibly Clear Services, we are always striving to improve and find new ways to exceed your expectations. One of the most meaningful ways you can help us do that is by sharing your experience through a Google review. Your feedback not only helps us grow as a company, but it also offers a huge boost to staff morale.

Every time you leave a review, you remind our team that they are more than just cleaners—they are professionals who take pride in their work and the difference they make in your workplace. It inspires them to continue delivering the high standard of service you've come to expect from us.

If you've been pleased with our services, we'd love to hear from you!

Please take a moment to leave us a review. Your words motivate us, guide us, and keep us striving for excellence.

## Autumn Pests

**Cluster Flies** - it is quite common in the autumn for these flies to congregate in large numbers on the outside of buildings, especially on sunny, south-east facing, light-coloured walls. As the afternoon temperatures begin to fall, they tend to crawl into crevices for shelter, sometimes through window frames, but mainly under the eaves/fascia boards into the roof space. The following days they may emerge and sun themselves but as autumn moves on and temperatures drop, they finally remain inside until the process is reversed the following spring when they will leave again.

Inspect your premises for gaps, cracks, and holes in walls, windows, and doors. Seal any openings to prevent pests such as rodents and insects from entering.

Ensure that recycle bins are tightly sealed and disposed of regularly. Remove any food sources that may attract pests, particularly in kitchens and break rooms.

Clear leaves, grass clippings, and other debris from around the building. This helps eliminate hiding places for pests and reduces the risk of them entering the facility.

If you use firewood, store it at least 20 feet away from the building and elevate it off the ground. This prevents pests, such as termites and rodents, from accessing your structure.

Trim back shrubs and tree branches that are close to the building, as they can provide a bridge for pests. Keep grass and other vegetation well-manicured.

Conduct regular inspections of indoor areas, particularly basements, attics, and storage rooms, to identify any signs of pest activity, such as droppings or nests.

Set up traps for rodents and monitor them regularly. Consider using bait stations for insects in high-risk areas.

Schedule a pest control inspection with a professional service to identify potential infestations and receive tailored recommendations.

Train staff on pest prevention practices, such as proper food storage and maintaining cleanliness, to help reduce the risk of infestations.

Consider scheduling treatments for common winter pests, like mice and cockroaches, to proactively address potential infestations before they escalate.

# Happy Halloween

Do you remember the Henry Hoover Planters? Well, in the spirit of Halloween, they've undergone another fun makeover, transforming into spooky Halloween ghosts! 🎃 👻 These playful decorations add a festive touch to our surroundings, showcasing creativity and seasonal cheer. We hope these charming ghosts bring a smile to your face and add a bit of whimsy to your day.

**When ghosts and goblins haunt the night,  
And cobwebs give you quite a fright, call Visibly Clear who'll clear the fright.  
With brooms and mops, we sweep the gloom,  
No haunted mess stays in the room.  
From spooky stains to eerie spills.**

**Our cleaners don't ride broomsticks high,  
They scrub the floors, they shine, them dry.  
For every task, we've got the treat—  
A spotless space that's clean and neat!**

**So when Halloween's chills are drawing near,  
Call on your friends at Visibly Clear!  
We'll fight the grime, banish the gloom,  
And leave your space shining, no hint of doom!**

**Wishing you all a Happy Halloween!**
