October 2024 Newsletter

A Busy and Productive Month for Visibly Clear Services!

September saw a month of remarkable growth and dynamic activity for Visibly Clear Services. We are excited to share the latest updates and highlights from what has been a truly inspiring period of development.

First and foremost, we have been expanding our team and are delighted to welcome several new staff members into the Visibly Clear family. Each of these talented individuals brings a wealth of experience, enthusiasm, and dedication to their roles, which will undoubtedly enhance our ability to deliver outstanding service to our clients. This expansion reflects the increasing demand for our services and our unwavering commitment to maintaining the highest standards of quality and professionalism.

A significant highlight of the month was our participation in the Northants Chamber of Commerce Exhibition at Franklin's Gardens. The event was a resounding success, providing us with an invaluable opportunity to engage with a diverse range of local businesses and professionals. We had the pleasure of forging new connections and strengthening existing ones, and we are thrilled by the potential collaborations and partnerships that may arise from these interactions. The positive energy and enthusiasm we experienced at the event have left us feeling more connected and optimistic than ever about the future.

In addition to our networking endeavours, we are proud to announce the addition of a new local primary school to our valued client base. We are also in the final stages of onboarding another school, further solidifying our commitment to supporting educational institutions. Ensuring clean, safe, and welcoming environments for students and staff is at the heart of our mission, and we take great pride in being trusted partners for schools in our community.

As we look ahead to the coming months, we remain focused on delivering exceptional service to all our clients, both new and longstanding

Our Stand!

Showcasing our business at Franklin's Gardens was an exhilarating experience! It was a busy day filled with a fantastic buzz, connecting with so many vibrant local businesses.

Did you know???

One key takeaway from the exhibition was discovering just how many people were unaware of the full range of washroom and hygiene services we provide. We often heard remarks like, “Oh, you’re more than just a cleaning company—we had no idea!” Many were surprised to learn that we operate a fully stocked showroom right here in the heart of Daventry.

From essential supplies like toilet rolls and bin bags to our sleek wall-mounted automatic air fresheners, soap dispensers, hand towel and toilet roll dispensers, and comprehensive sanitary services—we have it all.

We’re confident that our longstanding clients, who have been following our newsletters and staying in touch with our team, are well aware of the broad scope of our offerings. But if you’re still unsure or would like a refresher, we’d be happy to send you a copy of our new glossy brochure. Better yet, why not visit us in person? Come by our showroom at 8 Whittle Close, Daventry, NN11 8RQ, to see everything we have to offer.

And don’t worry about delivery—we’ve got that covered, too!

Personal Protective Equipment (PPE)

Call into our showroom or call to place your order. Delivery service available.
